

Tikigaq Corporation Announces Shareholder Dividend

The Tikigaq Corporation Board of Directors is pleased to announce that at its March 30th, 2017 Board Meeting they approved a Shareholder dividend distribution of \$1.80 per share to Shareholders of Record of Class A and Class C shares with a record date of April 21, 2017. Accordingly, all shareholders of record on April 21, 2017 will receive a dividend of \$1.80/share. The Company anticipates distributing dividend checks on or about May 3, 2017.

This dividend is the fifth dividend in a row which aligns itself with the mission and goals of the strategic plan, and allows for growth in the corporation. This is another important milestone for Tikigaq and its Shareholders. It represents approximately one fifth of our Net Income after Taxes for Fiscal Year 2016.

This Shareholder dividend distribution is made entirely from Tikigaq's paid-in capital account. Because the distribution is paid from this account per Section 21 (a) of ANCSA (Alaska Native Claims Settlement Act) the distribution is not subject to any form of Federal, State or Local taxation.
