Phone: (907) 368-2236 Fax: (907) 368-2668

Dear Applicant:

Thank you for expressing an interest in continuing your education. The Tigara Educational Foundation, Inc. (TEF) has funds earmarked specifically for the purpose of providing scholarships to qualified students attending college. The Foundation will help pay for basic college costs of tuition and fees, room and board, and books for each term. Every applicant is encouraged to apply for other financial aid that they may be eligible for. There is one category of scholarship: for those pursuing a college degree.

There are some limitations and those are: the apartment rent is limited to \$300.00 per month, and food allowance is \$150.00 per month. The Foundation will have the option to pay for transportation to and from school. There are some basic requirements that an applicant must do in order to receive the scholarships. Those requirements are:

- 1) You must be an enrolled Tikigaq Corporation shareholder. If you are a child of a shareholder and under 18, your parents must enroll you and if over 18, you can enroll yourself.
- 2) The attached application must be completed and returned.
- 3) You must turn in a copy of the letter of acceptance from the school you will be attending.
- 4) You must be a full time student with 12 credits or more.
- 5) You must send in your high school or previous school complete transcripts.
- 6) You must turn in two letters of recommendations from your counselor or school administrator or present employer.
- 7) As a first year student, you are required to turn in a short letter detailing your future career plan after you complete your schooling.
- 8) For a renewal scholarship for the next term (quarter or semester), you must turn in your current grade report.

Please send in your documents to:

Clark Lane, Sr., President
Tigara Educational Foundation, Inc.
P.O. Box 9
Point Hope, Alaska 99766

If you have any questions, please contact me at (907) 368-2235 or 2236. Again, we are pleased that you are pursuing higher education and we further encourage you to complete your educational endeavor.

Sincerely,

TIGARA EDUCATIONAL FOUNDATION, INC.

Clark, Lane, Sr.
President

STATE SEIG PROGRAM

The State Educational Incentive Grants (SEIG) program is a program for those eligible based on federal application for student financial aid. It provides grants to eligible students enrolled in their first undergraduate program at eligible institutions. Awards range from \$100.00 to \$1,500.00, depending on financial need. Usually, if you do not qualify for the federal Pell grant, you do not qualify for SEIG because the financial aid form is based on income. It is only for full-time students.

ALASKA STUDENT LOAN

The Alaska Student Loan Program is a loan from the State of Alaska to help students pay for their education after high school. The maximum loan per year is \$6,000.00 for undergraduates and \$7,000.00 for graduates. Students MUST be full-time in good standing.

Regular students as defined by the Dept. of Education refer to whatever is considered full-time by the school.

TEF BROCHURE

Our brochure requirements were all taken from recommendations required to be part of the initial application process as outlined when the application for tax-exempt status was written. Requirements included:

- 1) that applicants be required to indicate a choice of college
- 2) a current area of study or interest
- 3) provide names of references and recommendations
- 4) a short report of financial resources and
- 5) a letter of acceptance from the selected college.

These are still the main requirements for anyone wishing to apply to TEF. We have one application for all grants.

TEF APPLICATION AND PROCEDURES (insert application)

Our application has three pages: cover letter and requirements for application to be considered, second page is the application itself, and the third page is the financial needs section. We also have one page renewal application for those to use when they are continuing students. When a student turns in an application, the financial information is reviewed. I record all of the financial scholarship, grants a student has received from different agencies or resources. Cost for one semester is recorded on the left hand side. Schools usually provide the student with this information. In some cases, we process financial need sheet for BIA students, such as this need sheet.

Financial Needs Application

Please complete all applicable sections of this form. The information helps the foundation determine your financial need. The amount you request will be subject to review by the foundation. We encourage you to apply to the BIA and other federal grants and your local sources. Your scholarship will be sent directly to the financial aid of your school. Remember, grants are awarded each term, either by quarter for semester, depending on your school calendars.
