WHO WE ARE

Tikigaq's roots span over five decades, when the Alaska Native Land Claims Settlement Act (ANCSA) was signed into law in 1971.

Embodying the values of the traditional Inupiaq people, Tikigaq businesses around the globe contribute to the lives of our 1,600 Shareholders.

Tikigaq has grown into an impressive business with 7 subsidiary companies and joint ventures, operations in 31 states, 4 U.S. territories, on 3 continents, with almost 400 employees globally. Each company is a wholly owned subsidiary of Tikigaq Corporation, LLC, an Alaska Native Corporation (ANC).

Tikigaq is a recognized industry leader specializing in construction and construction management, environmental, and remediation services, base and facilities operations and maintenance and comprehensive support services, and retail services.

WE EMBRACE A SHARED PURPOSE... BUILDING GOAL-ORIENTED OUTCOMES AND FOCUSED RELATIONSHIPS.

PARTNERING PHILOSOPHY

Tikigaq Federal Services (TFS) subsidiary, an 8(a) small and small disadvantaged business, recognizes the important contributions in collaborating with other small businesses in promoting innovation while creating job growth and sustaining our country's economy. We believe small businesses, like ourselves including all other socio-economic businesses, further improve awareness and expertise to assist us in supporting our customers and their missions. We also partner with large businesses, advocate participation in the mentor protégé program, and promote local hire in locations where we work.

APPROACH

Tikigaq Federal Service's approach is based on our technical competencies, our professional expert experience and our responsiveness to the needs of our customers in delivering cost-effective solutions that coincide with the best project deliverables.

SAFETY

Nothing is more important than the safety, health, and well-being of our employees and the people who surround our projects, subcontractors, customers, and visitors. Our safety goal is zero injuries and no lost time accidents. More than a priority, these core values are strongly supported by senior management and backed by a comprehensive program of training and accountability.

CONTRACT VEHICLES

Tikigaq's Alaska Native Owned subsidiary companies (ANC), small and disadvantaged business (SDB), certified 8(a) and/or HUBZone entities with security clearances and various NAICS codes, offer attractive contract vehicles with unique advantages. These special advantages result in a streamlined responsive contract management process.

Tikigaq holds a number of government-wide acquisitions, indefinite delivery and quantity, blanket purchase agreements, and customer-specific task order contract vehicles in support of civilian and defense agency missions.

As a sole-source 8(a) ANC provider, Tikigaq Federal Services offers faster delivery times, low risk, and best value.
